

## Attendee's Checklist

### Resin Workshop - Attendee's Checklist

#### Before You Begin:

- ☐ Gloves and mask on
- ☐ Choose your board design
- ☐ Review resin color options

#### During the Workshop:

- ☐ Mix resin and hardener correctly
- ☐ Add mica powders or other pigments
- ☐ Tape your board's back (if not done)
- ☐ Pour and spread resin carefully
- ☐ Use heat gun and torch with caution

#### After Pouring:

- ☐ Do not touch while curing
- ☐ Leave board in assigned curing zone
- ☐ Ask instructor if unsure of any step

#### After the Workshop:

- Wait 24-48 hours before use
- Gently peel off painter's tape
- Apply wool wax or oil after curing

Thanks for creating with us!
